

Interception components

■ **FL 69**

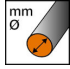

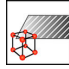

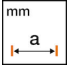

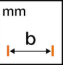

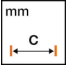

Application

For crossing walkways on flat roofs
 The optimal step protection for lightning protection round conductors on flat roofs

Characteristics

Loadable up to 1500kg
 UV resistance

Article-Nr.	E-Number	 mm Ø		 mm a	 mm b	 mm c				
226.021.000		6 - 10	PU	500	380	72				1

Technical Specifications: **FL 69**

Article No.	226.021.000
Application	Flat roof
Mounting type conductor	eingelegt
Material	PU
Material of holder	Plastic
Material of carrier	Plastic
Wire diameter	6 - 10 mm
Diameter conductor	6 - 10 mm
Length a	500 mm
Width b	380 mm
Height c	72 mm
Commercial specification	
country of origin	CE*
Logistic specification	
VPE Weight	6.4 kg
