Technical Specifications: **Contact clip AV 28**

	280.105.006	280.105.007
Approved class H / N (EN 62561-1)	H	
Material	InoxA2	
Wire diameter	6 - 10 mm	
Cross section of the connecting conductors	25 - 35 mm ²	
Band size		23x0.3 mm
Number of conductors	1	
Clamping/chucking range		18 - 600 mm
Surface protection	unbehandelt	
required torque	15 N·m	
Commercial specification		
Customs number	85389000	
country of origin	CE*	
Logistic specification		
VPE Weight	2.81 kg	2.86 kg
