

Earth tester

■ **DET 3 TD** Earth tester

Characteristics

Earth measuring equipment for 2 and 3 conductor
 With batteries, 8x 1.5VAA
 Measurement range 0.001-2000 Ohm
 Protection class IP 54
 Dimensions 203x148x78mm

Content

Carrying case
 Cable an spike set
 Calibration certificate
 Batteries

Article-Nr.	E-Number										
429.005.020	933.02.605										
											1

Technical Specifications: **Earth tester DET 3 TD**

	429.005.020
Indication	digital
Printer integrated	No
Printer connection	No
Internal memory	No
Commercial specification	
Customs number	90303300
country of origin	GB
Logistic specification	
VPE Weight	2.65 kg
