Technical Specifications: **Guiding tube TE 2**

	261.003.513	261.035.000
External diameter	17 mm	21 mm
Type of profile	rund D=16 mm	rund D=20 mm
Material	St	
Length a	1000 mm	
Surface protection	unbehandelt	
Model	sonstige	
Type of connection	With tappet/bore hole	
Commercial specification		
Customs number	73043900	
country of origin	CE*	
Logistic specification		
VPE Weight	4.15 kg	1.3 kg
