

Interception components

■ FL 70 Ridge conductor support for flat roof

Characteristics
With cement filling

Legend
a) For strip incl. adapter

Article-Nr.	E-Number									
226.017.005	156 950 110	PVC	6 - 10							20
226.019.000	156 950 810	PVC		30x3					a)	20

Technical Specifications: **Ridge conductor support for flat roof FL 70**

	226.017.005	226.019.000
Material	PVC	
Material of holder	Plastic	
Mounting type conductor	With snap clamp	
Application	Flat roof	
Material of carrier	Plastic	
Wire diameter	6 - 10 mm	
Mounting method	sonstige	
Band size		30x3 mm
Diameter conductor	6 - 10 mm	8 mm
Commercial specification		
Customs number	85389000	
country of origin	CE*	
Logistic specification		
VPE Weight	19.525 kg	19.8 kg
