

Interception components

■ **FL 70** Ridge conductor support for flat roof

Characteristics
With cement filling

Legend
a) For strip incl. adapter

Article-Nr.	E-Number									
226.017.005	156 950 110	PVC	6 - 10							20

Technical Specifications: **Ridge conductor support for flat roof FL 70**

Article No.	226.017.005
Material	PVC
Material of holder	Plastic
Mounting type conductor	With snap clamp
Application	Flat roof
Material of carrier	Plastic
Wire diameter	6 - 10 mm
Mounting method	sonstige
Diameter conductor	6 - 10 mm
Commercial specification	
Customs number	85389000
country of origin	CE*
Logistic specification	
VPE Weight	19.525 kg
