## Customs clearance instructions for our forwarding agents

What do we want on the import declaration?

- Always to ZAZ account AF 5723-2
- Our VAT no. CHE-102.113.153
- Order number always starting with EB must always be entered in the field next to the shipper reference field
- If EB no. is missing, always e-mail: purchasing@aflury.ch
- If the proof of preference is missing or incorrect, always send an e-mail to purchasing@aflury.ch or otherwise open provisional customs clearance
- EDEC Easy and collective customs clearance with red. Customs data or dummy customs tariff numbers are not accepted
- The shipper address must always be entered with the following minimum details:
  - Name of the shipper
  - Zip code and town of the consignor
  - Proof of preference (invoice / EUR1 no. etc.) must always be entered in the documents submitted field
  - If a preference certificate is available, it must be declared in any case, even if the customs data is too low for the collection
  - If customs clearance is based on a customs or pro forma invoice, please send a copy of the documents by e-mail to the following address: purchasing@aflury.ch or contact Purchasing by telephone: Tel. +41 32 613 33 66
